✸ Wisdom — Web Developer Portfolio

Frontend Developer | HTML • CSS • JavaScript

👤 About Me

Hi! My name is **wisdom**, a passionate web developer who enjoys building clean,modern, responsive websites and interfaces. I love solving problems, learning new tools, and bringing ideas to life using code.
I build clean, responsive, and functional websites using **HTML, CSS, JavaScript**, and modern UI/UX tools.

I consitantly enjoy turning ideas into real websites — including **car dealership platforms**, **login/signup systems**, and **interactive UI elements**.

MY RECENT WORK'S AND 💼 PROJECT'S

🚗 Car Dealer Website (HTML/CSS/JS)

A complete website for selling cars.

Features:

- Home, About, and Available Cars
- Car ordering page
- Responsive UI
